

Just a few examples of what bios-logos can do:

Psoriasis

before treatment

after treatment

The same arm after just 16 hours.

Multiple Sclerosis

After only 14 days of treatment, a patient, who suffered five years from MS, is able to do 1000 squats and to carry a load of 196 kilo between two chairs (see picture)

Wound healing in diabetes

Wound healing in diabetes is clearly accelerated by the BILO method or let's say that it is possible in the first place at all
